Invitation

Dear delegates,

It gives us an immense pleasure to cordially invite you to participate in Dr. Babasaheb Ambedkar Marathwada University, Aurangabad sponsored National Conference

on **"RECENT DEVELOPMENTS IN LIFE SCIENCES FOR HUMAN WELFARE"**

(RDLSHW: 2019) organized by department of Botany on 14th February, 2019 to explore the scientific excellence growing in the field of Life Sciences for Human Welfare. The Conference aims to bring together the students, teachers, researchers, scientists, academicians, and experts from different part of country to exchange their ideas and knowledge through presentations and discussions, also focus on current status on recent developments for human welfare. The organizing committee has arranged lectures of eminent resource persons from the different Universities of the country.

We welcome you and your colleagues to participate in the conference with your papers for oral/poster presentation. The conference will definitely prove to be helpful in promoting and creating new insights in the field of Life Sciences for human welfare.

The host Institute:

The social reformer, former Minister of Maharashtra state and great visionary Late Shri. Manikraoji (Dadasaheb) Palodkar has established "Rajarshi Shahu Shikshan Sanstha" Sillod in 1971. The Institute has been striving to achieve the aim with the motto "Bahujan Hitay Bahujan Sukhay" and has succeeded to a large extent in leading the Institution towards the educational excellence. The Institute is catering its educational services in this region through various branches from pre-primary school to post graduate level. The institution is now progressing well under the able guidance of Shri. Prabhakar Rao Palodkar, the president of the institution. It is one of the well known educational institutions in Aurangabad district.

Yeshwantrao Chavan College of Arts, Commerce and Science was established in 1972. It is permanently affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad and reaccredited with "B" Grade in 2015, by NAAC. The college well equipped with good infrastructure and beautiful campus. The College offers various courses and streams of study from Junior wing to P.G. section along with Research facility and also has well stocked Library with ICT facilities. Thousands of students of this region are taking benefits of several courses.

The Department of Botany was established in 1993, along with undergraduate course, the department also runs Certificate Course in Tissue culture under UGC sponsored Career Oriented Programme. Department had received grant from the UGC for Minor Research Projects. The department is committed for the all round development of the students by providing quality education.

Background of the Conference :

Today's age is an age of Science and Technology. Recent developments in the field of life sciences have a definite impact on life of human being. Lot of improvements has been taken place in the life style of human being. Research in life sciences helped to human beings to protect him from different diseases and disorders and ultimately life span is increased considerably. Research in life sciences played a significant role in sustainable development. Organic farming, conservation of natural resources, control on pollution, production of improved varieties of plants, genetically modified crops, domestication of animals and utilization of microbes for production of useful bio products, control over malnutrition has become due to the innovations in life sciences.

Resource persons who are expert in the field of life sciences from out of state and states will be invited to deliver key note address and lead lecture. Different disciplines which come under proposed themes of conference are plant science, Microbiology, Biotechnology, Biochemistry, Food Technology, Bio Prospections, Environmental Science, forestry and Agriculture, Herbal technology, Horticulture, health and Hygiene. Students, Academicians, researchers and industrialists of the fields will come together and share their ideas at work, and experience on this Platform.

Proposed conference is a right platform to the researchers to present their work for the welfare of the society. Outcome of the proposed conference will definitely have a social relevance.

Thrust Area:

- Conservation of Biodiversity
- Sustainable Agricultural Development
- Environment Conservation and Protection.
- Global Warming, Climate Change and its Impact on Environment
- Pharmacology
- Molecular Biology and Biotechnology.
- Plant Disease Management.
- Microbiology and Biochemistry

Call for Full Length Papers:

Original scientific contributions are invited for oral and poster presentations

Full Length Paper should be neatly typed with 1.5 spacing on A4 size paper in MS Word format font type Time new Roman font size: 12 pt, title should be in font size: 14 pt, and bold, figure and images in JPG format, including title, authors, affiliation, e-mail and cell number to the Organizing Secretary via email: rdlshw2019@gmail.com OR sawdekarjagdish@gmail.com OR drkvbadar@gmail.com The name of the presenting author should be underlined. Poster size should not exceed 100 X 100 cm² areas. **Awards will be given to Best Oral and Poster Presentations.**

Full length Papers: Efforts will be made for publication of the full length papers presented at the conference in the reputed UGC listed research journal with impact factors.

Registration Fee:

- Faculty Delegates: Rs. 500 (Spot registration Rs. 600)
- Student Delegates: Rs. 300 (Spot registration Rs. 400)
- Paper publication charges per paper Rs. 550.
