9404251387/ 9511866354

## CAREER GOAL

Achieving the post of Assistant Professor in an organization, that will offer me to use my technical as well as intellectual abilities for the betterment of the organization. Provides potential avenues for research, learning, growing, and reaching the highest level in the organization. To get a challenging position of lecturer in which I can utilize my experience and make the bright carrier of students.

## DOCTORAL RESEARCH

DR. BABASAHEB AMBEDKAR MARATHWADA UNIVERSITY (DEC 2008 - NOV 2012)

My Doctoral research topic is “Contract Farming in India: A Case Study of Maharashtra”.

In our country the farmers face the problems of traditional technology and Management practices, little bargaining power with input suppliers and Produce markets, inadequate infrastructure and market information, lack of post-harvest management expertise, poor package of produce and inadequate capital to grow a quality crop. Can all above problems I feel that Contract farming may help in solving all these problems. May be my study help farmers Become better farmers, gave more reliable income generated in employment especially for women, provided new skills of farming.
