

**Dr. Babasaheb Ambedkar Marathwada University**  
**Chhatrapati Sambhaji Nagar**

**Department of Fine Arts**

**Syllabus Structure of Bridge Course Sculpture**

Name of the course: Bridge Course for Bachelor of fine Arts (B.F.A.) Sculpture

Necessity of the bridge course:

There are only one or two places where post graduate courses of Fine arts are conducted in the Maharashtra state, considering the importance of post graduate studies, Dr. Babasaheb Ambedkar Marathwada University started offering professional post graduate degree course in Master of Fine Arts (MFA) from the academic session 2005-06. To take admission in this post graduate course of MFA, BFA degree is prerequisite, however, it may be observed that there are very few Fine Art colleges in the state of Maharashtra that offer BFA degree course whereas there are large number of Art institutions in the state, which offer Five years G.D Art or equivalent course. In order to provide access to post graduate studies for students who obtain G.D. Art or its equivalent need to study bridge course to get qualified for seeking admission in MFA to make them at par with BFA degree.

**Aim & Objective of course:**

To create opportunities for students having G:D. Art or its equivalent diploma to pursue post graduate degree of MFA in their respective field of specialization in sculpture.

**Eligibility:**

Five Years Government Diploma in Sculpture of the Government of Maharashtra or an examination of any other Body recognized as equivalent thereto.
