Infosys Foundation STEM Stars Scholarship Program 2025-26

About The Program

The Infosys Foundation launched the **Infosys Foundation STEM Stars Scholarship Program 2025–26** to help female students who want to pursue an undergraduate course in STEM (Science, Technology, Engineering, and Mathematics). For the duration of the STEM course, the scholarship offers full financial support of up to ₹1,00,000. This covers living expenses, tuition, and the price of study materials.

Last date to apply – 15 Sep. 2025

About Infosys Foundation

Infosys Foundation is a non-profit organisation dedicated to uplifting underprivileged sections of society. It fulfils Infosys Limited's social responsibility commitments by creating opportunities and fostering a more equitable and inclusive community.

Eligibility

- Candidates must be Indian female students.
- Candidates must have completed Class 12.
- Students must be enrolled in first-year undergraduate courses at reputable (NIRF-accredited) institutions in STEM-related courses. Also, students pursuing second-year B.Arch or five-year Integrated/Dual Degree courses are eligible to apply.
- Applicants must have an annual family income of less than or equal to ₹ 8,00,000.

Note: Girl students who will be taking admission in engineering and medical courses in government colleges not listed in the NIRF rankings can also apply.

Benefits

- Selected applicants will receive a scholarship of up to ₹1,00,000 per year for the duration of the course, covering their actual expenses.

Note:

- The scholarship will cover tuition fees, study materials, and living expenses.
- This scholarship commitment is for a maximum of four years of the STEM course.

Documents

- A current passport-sized photograph
- JEE Main/CET/NEET scorecard, and Class 12 marksheet and passing certificates
- Government-issued ID (such as Aadhaar Card, Voter ID, Passport, Ration Card, etc.)
- Proof of current year admission (fee receipt, admission letter, institution identity card, or bonafide certificate)
- Family income proof certificate issued by the appropriate government authority /BPL, or similar card/Ayushman Bharat card
- Electricity bills for the past 6 months are to be provided as an additional supporting document
- Receipts of academic-related expenses such as course fees, hostel fees, mess fees, stationery, books, etc.
- Bank account details of the applicant (bank passbook/cancelled cheque)

FAQs

What is the Selection Process for this scholarship program?

Scholars will be selected for the Infosys Foundation STEM Stars Scholarship Program 2025-26 based on their financial background and academic performance. The multi-stage selection process is outlined below:

- Initial screening of candidates based on their financial situation and academic standing
- Document verification
- Telephonic interview for shortlisted candidates
- Final confirmation by the Infosys Foundation

Is there an age limit to apply?

No, there is no age limit for the Infosys Foundation STEM Stars Scholarship Program. However, students must be enrolled in the first year of an undergraduate STEM course to be eligible.

What should be the total family income for this?

Applicants must have an annual family income of less than or equal to ₹8,00,000 to be eligible for the Infosys Foundation STEM Stars Scholarship Program 2025.

Is this scholarship program only for female students?

Yes, the Infosys Foundation STEM Stars Scholarship Program is specifically for female students enrolled in first-year STEM courses, second-year B.Arch and other five-year Integrated/Dual Degree courses.

How will selected students receive the scholarship funds?

The Infosys Foundation STEM Stars Scholarship Program amount will be directly transferred to the bank accounts of the selected students.
