 Dr. Babasaheb Ambedkar Marathwada University
 Aurangabad

1.4.2 Structured Feedback received from the students (Academic Year 2021-22)

1) The Course & Programme objectives & outcomes were clearly defined & identified?

This indicates that the majority of respondents rated the clarity of the course and program objectives and outcomes as either Excellent (45%) or Outstanding (20%), suggesting that these aspects were well-defined and identified according to their perception.

2) Course Material were appropriate in length, high quality and up-to-date?

This indicates that the majority of respondents rated the course material as either Excellent (45%) or Outstanding (25%), suggesting that they found the material to be of high quality, up-to-date, and appropriately sized.

Head
Department of Geography,
Dr. Babasaheb Ambedkar Marathwada University
Aurangabad

3) The programme provides focus on skill Development/ Employability / Entrepreneurship?

This indicates that the majority of respondents rated the program positively in terms of providing a focus on skill development, employability, and entrepreneurship. Specifically, 35% rated it as Good, 35% as Excellent, and 25% as Outstanding. Only 5% rated it as Average. Overall, this suggests that most respondents viewed the program favorably in terms of its emphasis on these aspects.

4) The teacher used ICT tools for teaching (PPT, Videos, online lectures etc.)?

This indicates that the majority of respondents (65%) reported that the teacher used ICT tools for teaching every time, suggesting a consistent integration of technology in the teaching process. 25% reported that the teacher used ICT tools some time, indicating a less frequent but still regular use. 10% reported that the teacher used ICT tools occasionally, implying a more sporadic use. None of the respondents reported that the teacher never used ICT tools for teaching.

Dr. Babasaheb Ambedkar Marathwada University
Aurangabad

5) The teacher was fair and unbiased in examination process?

This indicates that the majority of respondents (80%) reported that the teacher was fair and unbiased in the examination process every time. 20% reported that the teacher was fair and unbiased sometimes, suggesting occasional instances where fairness may have been perceived differently. None of the respondents reported that the teacher was fair and unbiased only occasionally or never, indicating a generally positive perception of fairness in the examination process.

6) The teaching method was effective to achieve the objectives of the course?

This indicates that the vast majority of respondents (85%) reported that the teaching method was effective in achieving the objectives of the course every time. 15% reported that the teaching method was effective some time, suggesting occasional instances where the effectiveness of the teaching method may have varied. None of the respondents reported that

Head
Department of Geography,
Dr. Babasaheb Ambedkar Marathwada University
Aurangabad

the teaching method was effective only occasionally or never, indicating a generally positive perception of the effectiveness of the teaching method.

7) The teaching method allowed adequate opportunity for student participation and discussion?

This indicates that the majority of respondents (75%) reported that the teaching method allowed adequate opportunity for student participation and discussion every time. 25% reported that the teaching method allowed for student participation and discussion some time, suggesting that while there were opportunities for participation and discussion, they may not have been consistent. None of the respondents reported that the teaching method allowed for student participation and discussion only occasionally or never, indicating a generally positive perception of the level of student engagement facilitated by the teaching method.

8) Does the Institute provides adequate ICT facilities (Computer, LCD Projects, Internet, Wi-Fi etc.) within campus?

This indicates that the majority of respondents (60%) rated the institute's ICT facilities as Excellent, suggesting that they found the facilities to be of high quality and fully sufficient for

M. S. S.
Department of Geography,
Dr. Babasaheb Ambedkar Marathwada University
Aurangabad

their needs. 20% rated the facilities as Very Good, indicating a slightly lower but still positive perception. Another 20% rated the facilities as Good, suggesting a moderate level of satisfaction. None of the respondents rated the facilities as Average, indicating that overall, the perception of the ICT facilities provided by the institute is positive.

9) How would you rate the Library, Infrastructure and Laboratory facilities of the University?

This indicates that the majority of respondents (50%) rated the library, infrastructure, and laboratory facilities of the university as Excellent, suggesting that they found these facilities to be of high quality and highly satisfactory. 30% rated the facilities as Very Good, indicating a slightly lower but still positive perception. 15% rated the facilities as Good, suggesting a moderate level of satisfaction. Only 5% rated the facilities as Average, indicating that overall, the perception of these facilities is positive among the respondents.

10) How would you rate the extra-curricular environment of the University?

[Signature]
 Head
 Department of Geography,
 Dr. Babasaheb Ambedkar Marathwada University
 Aurangabad

This indicates that the majority of respondents (40%) rated the extra-curricular environment of the university as Very Good, suggesting that they found the opportunities and activities outside of academics to be satisfactory and fulfilling. 35% rated the environment as Excellent, indicating a high level of satisfaction and enrichment in extra-curricular activities. 25% rated it as Good, suggesting a moderate level of satisfaction. None of the respondents rated the extra-curricular environment as Average, indicating that overall, the perception of the extra-curricular environment is positive among the respondents.

11) How do you grade the overall academic environment in the University?

This indicates that the majority of respondents (50%) rated the overall academic environment in the university as Excellent, suggesting that they found the academic atmosphere to be highly conducive to learning and growth. 30% rated it as Very Good, indicating a slightly lower but still positive perception. 20% rated it as Good, suggesting a moderate level of satisfaction. None of the respondents rated the overall academic environment as Average, indicating that overall, the perception of the academic environment is positive among the respondents.
