**Action Taken Report  
On  
Student Feedback for the Academic Year 2022-2023**

After thorough analysis of the student feedback received regarding the Department of Commerce curriculum, several key actions have been taken to address the concerns and enhance the overall learning experience.

▪ **Key Findings:**

1. **Curriculum Rigidity:** A significant number of students expressed concerns about the inflexibility of the curriculum.
  - Action Taken: The department has initiated a comprehensive review of the curriculum structure to incorporate more flexibility, allowing students to tailor their academic path based on their interests.
2. **Outdated Content:**
  - Action Taken: Faculty members have been engaged in updating course content to ensure its relevance to current industry standards and emerging trends.
3. **Limited Practical Exposure:**
  - Action Taken: To address the need for practical experience, the department is collaborating with industry partners to provide students with internship opportunities and real-world projects.

#### **4. Communication Gap:**

- Action Taken: A communication channel has been established for regular feedback sessions, ensuring students have a platform to express their concerns and suggestions directly to the faculty.

#### ▪ **Implementation Timeline:**

The actions outlined above will be implemented in a phased manner over the next academic year. Updates and progress reports will be shared with students regularly.

#### ▪ **Monitoring and Evaluation:**

A monitoring committee comprising faculty members, students, and administration will be formed to assess the effectiveness of the implemented changes. Regular reviews and adjustments will be made based on ongoing feedback.

#### ▪ **Conclusion:**

The Department of Commerce is committed to providing a dynamic and responsive curriculum. The actions taken aim to address the identified issues and create a learning environment that aligns with the evolving needs of students and the industry.
