## GOPINATHRAO MUNDE NATIONAL INSTITUTE OF RURAL DEVELOPMENT AND RESEARCH (GMNIRD)

GopinathraoMunde National Institute of Rural Development and Research, Dr.Babasaheb Ambedkar Marathwada University,Chhatrapati Sambhajnagar was established in 2016 with a vision **GMNIRD will be the global center to experiment, transfer and disseminate technology and knowledge and the center innovations and interventions for enhancement of Quality of Life of rural India in specific and globally.** Beginning with the four PG Course, Nine diploma courses with the duration of six month for each courses and ten certificate courses with the duration of five days in this Institute. The competent efficient, dedicated and will qualified staff with the highest academic degree; a farsighted visionary management and good infrastructure have contributed to making it and excellent center of higher education. It has been our sincere endeavor to impart learning opportunities to students for their all-round development and life skill and contribute to the development of the nation

**GMNIRD offers the following courses through its department of,**

- Department of conservation of Biodiversity
- Department of Rural Technology
- Department of Socio-Cultural and Political Aspects
- Department of Rural Economics, Banking and Industry.

Conservation of Biodiversity course aim to equip students with the knowledge and skills necessary to contribute to the conservation and sustainable management of biodiversity.

### About the Workshop:

Bee keeping is the practice of maintaining colonies of honey bees for their honey, beeswax and other products. Bee keeping has been practiced for thousands of years, and today it's more important than ever, as bees play a vital role in pollinating plants and maintaining ecosystem health.

#### Benefits of Workshop :

- **Learn the basics & profitable apiary planning**
- **Hands-on tools & hive inspection** at an operational setup
- **Income planning session:** Estimate your break-even, profit, and subsidy eligibility
- **Networking with fellow beekeepers and local suppliers**
- **Expert instruction** by experienced beekeeper.
- **Practical, hands-on experiences** with real hives
- **Useful networking:** Meet fellow enthusiasts, seasoned beekeepers & local associations
- **Gain confidence** to start your own apiary or garden pollinator project

#### Registration & Fees Students/Research Scholars

- **Early Bird** (by Sept. 25): Rs 200 /-  
(includes lunch, materials & certificate)
- **Regular** (after Sept.25): Rs 300 /-

#### Faculty

- **Early Bird** (by Sept. 25): Rs 400 /-  
(includes lunch, materials & certificate)
- **Regular** (after Sept.25): Rs 500 /-
